All items will be placed in a "community" bin for the use of all students; therefore I ask that you **DO NOT** write your student's name on any of the items unless specified. Also, please try your very best to purchase the brand specified, these items have proven to be of good quality as well as long lasting. In addition, the purchase of these specified brands will ensure the continuity of our community supplies and thwart off discussion (A.K.A. arguments) over who brought what. **Pencils and scissors are provided for class use.**
